Re: Request for additional extension of time to respond to June 7, 2005 Data Request

Dear Sir or Madam:

Trans National Communications International, Inc. ("TNCI") hereby respectfully requests an extension of time until July 15, 2005 to respond to the above-noted data request. On June 23, 2005, Ms. Lisa Foust, on behalf of the Tennessee Regulatory Authority ("TRA") contacted the Company to determine the status of the June 7, 2005 data request the TRA forwarded to TNCI. Unfortunately, the Company never received the request, and as such did not respond to the TRA by the due date of June 17, 2005. The Commission graciously provided TNCI with an extension until July 7, 2005 to comply with the data request.

The Company has completed a substantial portion of the Commission's data request; however, due to the complex nature of the points 3 and 4 of the data request, TNCI requires an additional week to respond. Further, as part of the Company's application in this matter, TNCI requested a waiver of the tariff filing requirement pending issuance of authority to provide local service. However, point 6 of the Commission's June 6, 2005 data request asks for an informational tariff. The Company is in the process of complying with point 6 of the data request, yet TNCI will need the above-noted additional time in order to complete its informational tariff.

TNCI deeply regrets any inconvenience this situation may cause and sincerely appreciates your time and attention to this matter. Please direct any questions regarding this correspondence to the undersigned at (617) 369-1163 or via electronic mail at cnance@tncii.com.

Respectfully submitted,

Cameron Nance
